- In Memoriam

Students graduate throughout the year; therefore, not all are able to attend commencement. Three hundred and seventy-four were graduated during 2010-2011. Some students have chosen not to have their names published.

The Adult Education Center Commencement Ceremony may be viewed on May 21 at 6:30 p.m. and May 22 at 3:30 p.m. and 10:30 p.m. on Channel 7.

Any presentation by participants of graduation exercises is the private expression of an individual participant and does not necessarily reflect any official position of the District, its Board, administration, or employees; nor does it necessarily indicate the views of any other graduates.

The Board recognizes that at graduation time and throughout the course of the educational process, there will be instances when religious values, religious practices, and religious persons will have some interaction with the public schools and students. The Board, while not endorsing any religion, recognizes the rights of individuals to have the freedom to express individual political, social, or religious views.

Billings Public Schools Adult Education
