

My Book Report
Brochure Making Lesson
www.mybrochuremaker.com

1. Create a folder on the desktop - name it your last name
2. Download images that depict characters or settings from the book you read, from the Internet and save them into this folder
The following search engines have an images section:
 - yahoo.com
 - altavista.com
 - google.com
 - alltheweb.com
3. Go to the website provided above and click on **GET STARTED**
4. Select **BROCHURE WITHOUT MAILING PANEL**
5. Select a theme and press **NEXT**.
6. Select **EDIT OUTSIDE**
Add your own text to the text boxes. Add your own photos by clicking on the photo in the brochure and clicking **REPLACE WITH OWN PHOTO**. Click on **BROWSE** to find your photo, then Click on **UPLOAD PHOTO**.
7. After the cover is finished, click on **EDIT INSIDE** and repeat step 6.
8. Go to **PRINT** and print the outside.
9. Rotate the brochure 180 degrees and print the inside.
10. Click on **SAVE** and enter your email address. The access number will be emailed to you. Save this email information for future use.
